Dear Gert

you will think me a beastly not writing before, But I know you will forgive me for not writing, when I tell you I have been awfully bad with Catarh in the head, for fully a month, when I came home from work I was glad to get to bed, I was that done up, I was unable to send my x mas card orders as I should have liked, they were all delayed

Dear Mama, I received letter + P.O, safely this morning dear & thank you for sending them, I have bought myself a brown costume this week so the P.O was handy. You are a little terror for paying for the jam I told you that you could have it dear, We did not have a thunder storm last Saturday you are having a lot this year but it has been raining here to day. We have got 15 tomato plants in our garden & they are growing fine With best love to you both from Nell & Nance.
